employees

## Our Plan for the Future

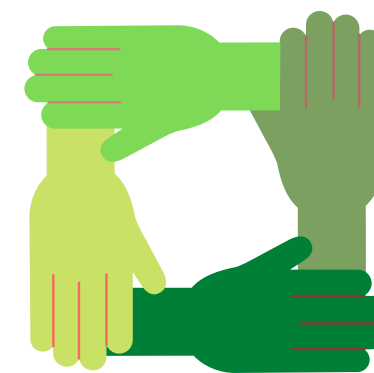

Scale the training and reach 1,00,000 PWD students through partnerships and collaborative efforts.

Increase our base to Inclusive Schools, Colleges, other NGOs and Corporates working for upskilling PWDs

Create and implement strategies to maintain and self sustain the organization

## How can YOU help?

Recruit our Candidates (Employees, Interns, Consultants)

Conduct Mock Interviews for our Candidates

Conduct Technical / Soft Skills Training

Mentor our Trainers to enhance quality & productivity

Provide Projects, Internships to upskill our students

Co-Create Curriculum with us

DONATE & Support us Financially to magnify social impact

# Thank You
